H-Honors AP-Advanced Placement S-Standard

VHS students are expected to attend and participate in their online course as fully as they would attend and participate in a traditional classroom course. All assigned work should be completed in a timely fashion, and students must actively participate in course discussions.

At an absolute minimum, students are required to log-in and perform work in their online course five times per week, bearing in mind that a week is expected to contain at least 5-7 hours of coursework.

Time management and self-motivation are essential skills for success in a Virtual High School class. Please consider this when endorsing a student's request to participate in Virtual High School. Participation in an online course will require students to be involved in independent and collaborative projects and research. Students must plan their work, be responsive to deadlines, and be conscientious in completing assigned tasks.

- A standard level class requires students to be actively engaged in their coursework for approximately 6 - 8 hours per week.
- An honors level class requires students to be actively engaged in their coursework for approximately 8 - 10 hours per week.
- An AP level class requires students to be actively engaged in their coursework for approximately 10 - 12 hours per week.
I will inform my VHS Site Coordinator in a timely manner if I am experiencing difficulties in my online course due to:
- technical difficulties with the network or computer;

Be aware that if I drop a semester 1 course, I will not be eligible to take a semester 2 course.
Be aware that after the add/drop deadline, students who withdraw will receive a grade of 'W/F' for Withdraw Fail or 'W/P' for Withdraw Pass, which will be reported to their school's administrative office and appear on my permanent transcripts.
I will use courteous language while communicating with my VHS peers and teacher.
I will use the school network in conformance with the Acceptable Use Policy.
