

WELCOME BACK

September's Letter from Superintendent

Welcome to the 2017-2018 School Year!

Dear Parents/Guardians and Community Members:

Welcome back to another exciting school year! We received an overwhelming response to the indoor 2016 graduation ceremony that was held in the gymnasium in June. We truly appreciated the compliments! It was another exciting first for Becton Regional High School.

The Administrative Staff has worked diligently to prepare for the class of 2021 as well as for the returning student body.

This year we welcome the following new teachers and staff members to our faculty:

- Mr. Robert Anfang-Physical Education
- Dr. L. Krendler-Child Study Team
- Ms. Traci Maturo-Art
- Ms. Arlene Siri-Paraprofessional
- Fadia Termanini-Special Education Math

We are excited to have these highly qualified educators joining the Becton Regional Staff!

The 1:1 Chromebook Initiative will include all grade levels this year. The class of 2021 will be the first class to utilize a Chromebook in their classes all four years. We truly desire that our students be better prepared for college and careers.

On Tuesday, August 29, 2017, we hosted the Annual Freshmen Barbecue. This yearly event affords both incoming students and parents the opportunity to get to know our Administrative Team as well as some of our coaches and club advisors. Parents were given a tour of the building followed by a delicious barbecue.

The fall sports season is about to begin. Please show your support for our athletic teams by attending one or all of these exciting events. The athletes love to have fans in attendance to cheer them on to victory!

In closing, I would like to emphasize that communication and parent involvement are the keys to a student's academic success. I encourage all of you to partner with our staff to ensure a successful and safe school year.

I look forward to seeing everyone at our Back to School Night, Thursday, September 28, 2017. Please check our website, www.bectonhs.org for more details and information. If you have not already done so, I encourage you to download our Becton App to receive the latest information concerning Becton Regional High School. The app is absolutely free!

Sincerely,

Louise Clarke

Louise Clarke, Superintendent
Carlstadt-East Rutherford Regional BOE
