

Registration for Genesis Gradebook Parent Portal

Genesis is our new student information system which allows parents to access attendance, grades, and discipline records for your child. Access to Genesis Information System is only available through the Internet.

Registration for the **Genesis Gradebook Parent Portal** is necessary for our technology department to set up a user name and password, giving you access to your child's attendance, grades, and discipline.

As part of the registration process, please complete the information below about your children and **return this form to the Becton Regional High School Guidance Office no later than October 16th**.

1. Parent (guardian) First Name:

2. Parent (guardian) Last Name:

*Please print
information clearly*

3. Type your email address
