

## Mid New Jersey Youth Soccer Association Liesel Krehan Memorial Scholarship

In memory of the many contributions to youth soccer programs and particularly her many years of dedication to Mid New Jersey Youth Soccer Association, the MNJYSA board has created a scholarship in honor of Liesel Krehan. The scholarships will be awarded annually and paid to a male and female candidate.

A seasoned MNJYSA board member and dedicated follower of the sport, Liesel Krehan epitomized the spirit of youth soccer and volunteerism in New Jersey. Born in Germany in 1923, she was sent by her parents to live in England during WWII, where she met her husband, John, who served in the free Czechoslovakian forces in England. Though Liesel is no longer with us, her legacy lives on through the many initiatives she created in her tenure with MNJYSA. The scholarship is intended to honor her memory as well as reward the young boys and girls who meet the following qualifications.

The scholarship criteria are as follows:

- \* You must be a graduating senior
- \* The award will be offered to any young person who will be attending any type of formal post high school education. This includes, but is not limited to, trade, technical, artistic, jr. college, college, university or any other formal post high school education
- \* Academics, although important, will not be the sole or necessarily the most important aspect of the selection process. The parents financial situation will not be considered in the selection process
- \* Candidates must have been associated with MNJYSA affiliates club/team as an athlete, youth trainer or a referee during the high school years
- \* Applications must be postmarked by the date requested
- \* Letters of recommendation must be submitted with the application by the date requested.
